

ORDER FORM FOR BASIC SAFETY RULES FOR AUTO DEALERS

In our ongoing efforts to help our members prevent accidents and control insurance costs, in 2006, the VADA had a booklet created specifically for automobile dealers to use when conducting safety training. The booklet titled Basic Safety Rules for Auto Dealers was designed to communicate safety rules to dealership employees in a colorful, fast and easy to understand format; and is offered at no cost to your insured location.

We value you as a loyal member of the VADA GSIA program, and want to keep your employees safe and your insurance costs low! With that in mind, ***these booklets are being offered to each dealership at no cost to you.***

To order a new supply of booklets, please complete the bottom of this form, and return via fax to VADA at 804.354.0767; via snail mail to VADA GSIA, PO Box 5407, Richmond, VA 23220; or email to npohle@vada.com
